MARYLAND REPUBLICAN.

The Legislature Has a Republican Majority Which Will Elect a Successor to Sen. Arthur Gorman.

Things Close For Mark Hanna in Ohio—But He Will Undoubtedly Pull Through All Right.

Baltimore, Nov. 5.—An official count of the ballots cast on Tuesday last, made in most of the counties, leaves no further room for doubt that the Republicans have control of both branches of the legislature, and that a Republican will succeed Arthur P. Gorman in the United States senate. Five members of the assembly and one senator were taken from the Democratic list of probabilities and added to that of the Republicans. Three of the members and the senator are from Talbot county, and one member each from Prince Georges and Carroll. This gives the Republicans forty-nine members in the House and the Democrats forty-two. It also gives the Republicans eighteen senators to eight for the Democrats, and a majority on joint ballot of seventeen.

OHIO.
The State Legislature Probably Republican, Though This Is Not Conceded.

Cincinnati, O., Nov. 5.—The political complexion of the legislature remains upon the issue of one county, that one county depends upon Senator Hanna's reelection to the U. S. senate.

Columbus, O., Nov. 5.—The Republican plurality on the state ticket exceeds 25,000, the vote on the legislative ticket is about as close as it could be. For this reason there is still some anxiety in the respective state headquarters of both parties.

The Republicans will claim that the legislature stands 75 Republicans to 25 Democrats on joint ballot for senator, and their candidates for representatives in three of the close counties have been elected by the following plurality: Delaware county, W. B. Wood county, 52; Noble county, 73; a total of 125 in the plurality of these three counties. A change of 72 votes, price is distributed in the three counties, which, therefore, have proved the result of the election to be giving these three representatives to the Democrats. These three representatives would have been elected by the Republicans and the Democrats would have joined had it for Senator.

When it is remembered that the total vote of Ohio last year was over one million and is now over one million and a half, it is readily seen that seven two thousand eight hundred and thirty-two is a small percentage of the total vote of the state. And this is what makes the Democratic State Committee so confident of success in the legislature, and the Republican State Committee so confident of success in the legislature. The Democratic State Committee is confident of success in the legislature, and the Republican State Committee is confident of success in the legislature.

DEMOCRATS TO RALLY.

They Will Be Out at the Court House.

This Democratic rally tonight, beginning at 7:30 o'clock at the court house, it appears that it is a rather haphazard affair, as Dr. Lang, the city committee man, has no one else seems to know much about it.

These were the men at the head of it did not appear to know much about it. They say, however, that a crowd was expected and speakers would not doubt be in hand. There will be a brass band and torchlight procession.

MARRIAGE IN THE COUNTY.

Two Well Known Young People United.

John L. Morris and Miss Edith E. Pate, well known young people of the county, were licensed to marry yesterday, and the ceremony was performed last night at the home of the bride.

CAPTAIN OF THE NONSUCH.

Conquering a Morton's Opera House Tuesday Night.

On next Tuesday night at Morton's Opera House, William Bonelli will appear in the successful farce comedy entitled "Captain of the Nonsuch." This clever play scored undoubted success at the Star Theatre, 125 West York city, recently. It will be presented here by the same supporting company as was seen in New York, and with the same scrupulous attention to detail and effects.

After the rally tonight visit the delicatesse for supper, game of billiards served to order.

The Old Butcher Will Be Court-Martialed On His Arrival In Cuba—Serves Him Right.

Big Fight at Rockport, Indiana.—Other Late Telegraphic News Of Interest At Home and Abroad.

Madrid, Nov. 5.—The Spanish cabinet this morning decided upon the impeachment of Gen. Weyler, the late captain general of Cuba, on account of the remarks which he made previously to leaving Havana on his return to Spain.

Disasters Fire.

Rockport, Ind., Nov. 5.—Fire here this morning destroyed a flouring mill, juvenero factory, Catholic school building and the Catholic church was badly damaged. Loss over \$10,000.

VALUABLE DRAWINGS BURNED.

Winter Residence of Inventor Merz Destroyed by Fire.

Deming, N. M., Nov. 5.—The winter residence of Otto Merz, the inventor of the line type typesetting machine, was destroyed by fire here yesterday. Mr. Merz's father lost all his personal property and many valuable papers, including the drawings for a new typesetting machine. The property was owned by Col. James A. Lockhart, of Colorado Springs, Col., and was valued at \$20,000. Mr. Merz's father was spending the winter in Deming, hoping to be benefited in health.

SURPLUS WILL BE LEFT.

Handsome Showing Made By the Tennessee Centennial Exposition.

Nashville, Tenn., Nov. 5.—At a meeting of the executive committee of the Centennial Exposition Company last evening, Auditor Goodman presented a report showing that the total indebtedness of the Exposition is now only \$46,000, and an offer of \$15,000 has already been made for the building and other property which is to be sold, the affairs of the company will be wound up with a neat surplus in the treasury.

In addition, something will be collected from \$75,000 in private subscriptions to the capital stock which remain unpaid. A meeting of the directors will be held next Tuesday night, at which it is likely steps will be taken looking toward making a public park of the Exposition grounds.

THREE JUDGES.

Was the Recent In Today's Circuit Court.

There were three judges in the circuit court this morning. Judge Bishop presided part of the day, Hon. Henry E. Burnett part of the day and Judge J. W. Brownfield the remainder.

The case of Henry Clark against the Travelers' Insurance Company for \$1000 on a policy, was on trial at present time, and will probably be finished before night, as arguments are about finished.

MR. CARLISLE'S NEW HOME.

After This Month His Address Will Be New York City.

Washington, Nov. 5.—The president announces that he intends to get right down to business now, and after the week devote all of his time preparing his message to Congress. The president thinks that on the whole the elections Tuesday were rather favorable to his party. He is sad to hear that Senator Hanna, as soon as his flight in Ohio after the "fearful odds" against him, Mark Hanna is really a hard man to beat.

Ex-Secretary Carlisle has leased his residence in this city to Congressman O'Dell, of New York and will vacate it the last of this month.

Speaking of the election Tuesday he expressed the opinion that the question of free silver had little if anything to do with the result. He attributed the Democratic gains to the resentment of the voters to the passage of the big tariff Dingley bill, and said that in party could survive the enactment of such an outrageous measure.

JOE NOE FOR CONGRESS.

Comes Out As a Straight-out Republican.

Owensboro, Ky., Nov. 5.—Ex-State Senator Joe Noe yesterday announced himself a candidate for Congress from the Second district on the Republican ticket. He said to a Times correspondent: "I am not a Democrat. I am a straight-out Republican."

GREAT FACTORY

For Making Beet Sugar to Be Erected in Ventura County, Cal.

Los Angeles, Cal., Nov. 5.—Another important enterprise in the beet-sugar manufacturing industry is about to be launched by the Okanidis, proprietors of the China factory. After examining several different sites in widely separated localities, they have at last decided in favor of Honore, Ventura county. The production of beets on 10,000 acres of land, for five consecutive years, has been guaranteed for the factory's use at the price of \$25 per ton during the entire term. One hundred acres for the factory site has been donated by the local people interested. Work on the building of the factory will begin promptly in order to have it ready for the crop of 1898. It is to have a capacity of 1,000 tons in 1899. It will give employment to 1,000 men at the factory, while from 1,000 to 1,500 will be employed in the field.

AN ARMY UNDER

MR. VAN WYCK.

Over 55,000 Employees to Draw Pay in Greater New York.

His Pay Roll Will Aggregate At Least Thirty-Three Millions.

New York, Nov. 5.—More than 55,000 persons will directly or indirectly draw pay from the city in the first administration of the Mayor of Greater New York. The salary of \$5,000 of these whose names will be actually on the city's pay roll will aggregate \$275,000,000. Part of this amount represents the salaries and patronage of the other officers elected on Tuesday, but this is comparatively small.

A conservative estimate of those who will draw pay indirectly from the city through city contracts and the like is \$2,000. Mayor Strong, at the time the greater city charter was passed, estimated this force as equal to, if not exceeding, the actual number of all officeholders.

Second only to the President of the United States is the value of his patronage, the first mayor of the greater city is first in this significance of this patronage.

With his colleagues, elect of the same political party as himself, Mr. Van Wyck, even had an army of officeholders and those indirectly employed by the city, as great as the Army of the Potomac.

HE CANNOT BE FOUND.

Wealthy Young Lad Disappears From Rochester County.

Rochester, N. Y., Nov. 5.—Robert Gadell, the son of a well-to-do farmer of Rochester county, disappeared from home last night, leaving a note telling his parents he wouldn't return. He is only 17 years of age, but appears to be a large tract of land. His parents are almost crazed with grief. He stood high in the community.

HAPPY "SHACK" WINS TWO GOOD PRIZES.

Successful Appellate Clerkship Candidate Will Wed Miss Magoffin the 10th.

Danville, Miss., Nov. 5.—The marriage of Miss Matamoras Magoffin, of Danville, to Samuel Snelckford, of Owensboro, Ky., was announced here last night. The marriage will take place in the First Presbyterian church, this city, Wednesday afternoon, November 10. The bridegroom has just been elected clerk of the court of appeals of Kentucky, and is one of the prominent Democratic politicians in the Southern states.

Miss Magoffin is the oldest daughter of Mr. and Mrs. David Magoffin, of this city, and is acknowledged to be the prettiest woman in the city. She lived in Lexington, Ky., before the removal of her family to Danville five years ago. She comes from one of the oldest Southern families, is a striking beauty and a perfect Southern beauty.

The announcement of the wedding to occur at such an early date caused quite a sensation in Danville, so early as it was not anticipated for some time. The wedding will be the largest ever witnessed in this city, as over 1,000 invitations will be issued, and among the guest list are many Cincinnati, Louisville and Lexington families. Senator Gabel, of Kentucky, will be the best man, and Miss Virginia Magoffin, sister of the bride, will be maid of honor. Mrs. L. Nelson, of Louisville, will probably be one of the bridesmaids.

Mr. and Mrs. Snelckford will be at home in Owensboro after November 15th.

NO ROUND.

And as a Result C. F. Bennett Didn't Qualify.

Charles F. Bennett, colored, elected constable back of Unionville, Ill., cannot execute bond, according to reports that reached the city today, and for this reason has not qualified.

He is said to have gone to the present constable and asked him to go on the bond, but the latter said he couldn't hardly find any one to go on his own.

\$50,000 DAMAGES ASKED.

Caroline E. M. Brown of Milan, Tennessee, Sues the Evening News for That Amount.

He Charges the Sunday Visitor Accused Him of Murdering His Father-in-Law, Capt. H. P. Miller.

Mr. E. M. Brown, of Milan, Tenn., this afternoon through his attorneys, Hill and Jones, of Milan, and Campbell & Campbell, of the city, filed suit in the United States court here against the Paducah Daily News for \$50,000 damages.

The plaintiff alleges that several months ago there was published in the Sunday Visitor, published by the News, an article intimating that he, Mr. E. M. Brown, murdered his father-in-law, Capt. H. P. Miller, near Milan, for the purpose of coming into the latter's estate.

He says further that the real murderer, two negroes, have since been caught and convicted, and that the article in question did him great harm, and that it was published without foundation and with the malicious intent of injuring him in his business. He asks judgment for \$50,000 damages.

The case is well known and the people of Paducah will no doubt recall the sensational article.

RETURNING BOARD.

It Is In Session at the Court House.

A Problem Confronted Them This Morning.

The board is today convening the affairs of the recent election, in the big vault at the county courthouse. A question was raised when the board convened that was very perplexing for a while. The county judge, county clerk and sheriff constitute the board, but two of them, having been candidates, were, in the opinion of many who read the section, ineligible to serve on the returning board.

Twenty-One Charter Members and Many Others Yet to Be Taken In.

A new lodge of the Ancient Order of United Workmen was organized with a charter membership of twenty-one. These are about thirteen new members to be initiated next Thursday night, with prospects of many more.

The new lodge was named "Protection," and it was formed principally because the old lodge, "Friendship," had become so large. Its membership is now over 175. The order is increasing everywhere, and is one of the most popular now in existence.

The officers elected were, Mr. Frank Shutt, Past Master Workman; Prof. U. B. Hatfield, Master Workman; Mr. C. W. Smith, foreman; Mr. E. H. The case against "Crip" Wilkins charged with peddling tobacco without a license, was called on in the U. S. court yesterday afternoon and the testimony of D. T. Delaney, Charles Emery and Constable Alex Patton heard. The defendant was recognized in the sum of \$300, for appearance Monday, when Commission Per year will pass on the case.

William Bonelli.

William Bonelli, who is to appear at Morton's opera house Tuesday night in Col. J. F. Milliken's successful adaptation from the French of Hennequin, entitled, "Captain of the Nonsuch," is said to be most happily cast for his part. His training with the Frodoia forces has made him especially desirable as a creator of roles in big metropolitan productions during the last five years, but so promising was the "Captain of the Nonsuch" that he brought the farce to its first reading and it bids fair to excel its successful predecessor "Puck of the North." Col. J. F. Milliken's first important success.

RETURNED A CORPSE.

The Remains of Mrs. Jennie Sanchez Arrived in the City This Morning From Denver.

Were In An Excellent State of Preservation.—Funeral Tomorrow Afternoon at 2:30 O'clock West Church.

The remains of Mrs. Jennie Sanchez reached the city this morning over the Illinois Central, and were taken to Mattill & Ellinger's undertaking establishment to be prepared for burial. The body was shipped from Denver Tuesday, and when the casket was opened this morning, the remains were found to be in an excellent state of preservation.

The particulars of the beautiful young wife's tragic death have been told before. Last Saturday night she was shot and killed in bed at the State hotel in Denver, and her husband is in jail charged with the murder.

He claims that he did not kill her, but that some one opened the door and shot her and ran. When arrested he was partially undressed, had a pistol in his hand, and claimed he had pursued the murderer down the hotel corridor and shot at him, but could not reach him. The first reports received stated that he claimed he shot her accidentally.

The murdered girl has several near relatives in the city, among whom are Officer Jeff Barnhart and his wife. She was 18 years of age, and married Sanchez in Metropolis on last August 22, after a short acquaintance, begun through a matrimonial agency. His home was originally in New Mexico, where his father is a sheriff. The remains were carried to North Fifth street, this morning, and the funeral will take place tomorrow afternoon at 2:30 o'clock from the first Baptist church, Rev. W. K. Perord officiating. The interment will be at Oak Grove cemetery. All friends are invited. The young lady's relatives have the sincere sympathy of all to their sad bereavement.

His whole duty consists in their execution.
